Thanks Paula,

I am honored that you, your family and especially Lenny have trusted me to do what is without doubt, the right actions for James. I have seen from the beginning that he desperately needs his father at least half the time if not more., Most Sincerely, Dr. Hoffman

Dear Paula,

I Hope Christmas was a great time for you all and especially James.

Paula I have not received a payment that was due on December 1st, nor have I received a second payment that was due on January 1st. This plan was agreed upon with your attorney and myself. I put this payment plan in writing and gave it to Mr. Makepeace. Please remit or I again have no other recourse than to file this with my collections attorney Mr. Kenneth Davidson.

Most Sincerely,

Dr. Mark Hoffman

Dear Paula,

I talked to Mr. Makepeace about two weeks ago and he said that my bill would be paid in full in ten days. To date this hasn't happened. I will be continuing on Jame's case unless the judge orders me off of it. This is the last I will be speaking to you about this matter and must proceed with Mr. Ken Davidson my collections attorney. Fifty percent of your bill will be added on to the current bill for the cost of attorney collections.

I am sorry that it has been such a problem.  
Sincerely,

Dr. Hofman

P.S. All I am asking Lenny to do at this point is to make one appointment with the new Doctor for James, Dr. Athey, which is the second opinion that Lenny requested and see Mr. Sanders at the center on fathering for one visit concerning parent alienation. It is also a good time for Lenny to start with a new Doctor and give his opinions to him. Dr. Hoffman

*Again, he mentions this often I spoke to him about this in Re: Francis*

Dear Paula,

I am sorry I have not been able to answer your letter until now. So far I have recieved a retainer of \$2,000.00 and a second check from your attorney for \$2,000.00. On December 1st. another check was due for 2,500.00. This is the arrangement made with Tyler. I put into print for him. Please do not continue to be overdue with your payment. Tyler did convince me to let you make payments, which I rarely do. A last payment is due On January 1st.. The amount will have to be ammended because of a recent meeting at court with Tyler. I will let Tyler know what the final January payment will be. James is not doing very well as of this writing. There is a very high level of disagreeemen between both parents over medicene as well as other topics and this is seriously affecting James in a very adverse way.

Merry Christmas,

Dr. Hoffman

Hi Paula,

I have recieved the retainer of \$2,000.00 at the beginning of the case but no monies since then. Your most recent bill reflects the subtraction of this amount from the total bill.

I will be seeing Jason tomorrow at Carver to see how he is doing.

Merry Christmas To You,

Dr. Hoffman

Hi Paula,

Tyler assured me tonight 12/7/04 that he would mail me a check tomorrow for \$2,500.00. I faxed him the bill as he requested. I have only spoken to the School Psychologist at Carver Elementary School and it appears that he is doing well overall but has gone backwards a few times. I cannot proceed until the bill is paid in full. I will look into the matter that you are talking about though.

Most Sincerely,  
Merry Christmas,  
Mark Hoffman

Dear Paula,

November 3, 2004

I am very frustrated and hardly believe anyone at this point. I will have to very soon turn this unpaid bill into my attorney Mr. Kenneth Davidson at which time I will have to add the cost of litigation. It is usually 35% or more. He usually advises me on how much to add. I am sorry that it has come to this.

Most Sincerely,

Dr. Mark Hoffman
